

Discipleship Group Member Opt-In Agreement

The purpose of this agreement is to establish a clear, mutual commitment between D Group members and is meant to be had in the context of a conversation with a D Group point person, or upon first meeting together.

As a D Group member:

I profess Jesus Christ as Lord and Savior.

I desire and am committed to taking next steps to grow in my faith in Jesus.

I will “join others in the life and rhythms of community,” i.e. endeavor to attend Home Group and Sunday service.

I commit to meeting with the members of my D Group weekly.

I commit to relating with my fellow d group members on a foundation of mutual, grace-filled accountability as we seek to follow through on next steps.

I will commit to a Bible reading plan determined together as a group.

I will commit to share openly about my life and faith with the other members of my group as we build trust with one another.

I understand the vision of multiplying to two D Groups once we reach six members and that part of being in a D Group is learning to facilitate the time.

I have read the [D Group 1 Pager](#)

I give my group members permission to have a gracious & curious conversation with me if they see me not keeping these commitments and I will do the same for them.
