

Lifestyles, Habits & Ongoing Actions

[Jesus] died for everyone so that those who receive his new life will no longer live for themselves. Instead, they will live for Christ, who died and was raised for them.
2 Corinthians 5:15 NLT

WORSHIP is *living devoted...*

We remain in the gospel.

Confess and repent of sin. Receive God's grace.
Ask someone to share truths of the gospel with you.

We are renewed by the Spirit through Scripture and Prayer.

Talk with God throughout the day.
Read Scripture to know God and take a step to obey Him.

COMMUNITY is *living committed...*

We live life with a local church.

Share your life, time, or possessions with a brother or sister in Christ.
Join others in the life & rhythms of the community.

We build one another up in love.

Say or do something to serve a brother or sister in Christ.
Forgive and apologize to resolve a conflict and live at peace.

MISSION is *living sent...*

We love our neighbors.

Get to know someone outside the Church well enough to serve them.
Go out of your way to serve a friend outside the Church.

We make disciples of Jesus.

Tell someone who Jesus is, what He's done and how He is impacting your life.
Start doing these actions with someone else.

The H.O.W. of Discipleship
